## **Welcome to Fall**

Now that the Eclipse is over, we can look ahead to our many activities.

Our hosting of the FF of Manitoba offers many opportunities from September 16-21 thanks to Carolyn & Jim Webber and their committee. The Welcome Dinner on Saturday, Sep. 16 will be fun, and a great way to introduce your friends to the “Friendship Force way”. We can also join in Journey activities the next week. Be sure to sign up. (I’ll be there – thanks to Jan & Terry Udell who have offered to host me.)

October 21 -15 is our Open World hosting. Check with John Kaiser to be involved in this special opportunity to meet some bright young minds from Central Asia.

Our Christmas Dinner meeting has been scheduled for Monday, Dec.11 at Poor Richard’s. Thanks to Debbie Kaiser for contacting a dozen places before a decision was made. And at our October meeting, Debbie will present an idea for enjoying the Christmas Trolley.

Tony Adams has been selected as our Journey Coordinator for the 2018 Outbound Journey. We will partner with FF- Bristol, England to be guests of the members of FF- Medicine Hat and FF- Calgary, Alberta in June or early July. While at the FFI Manchester Conference, Tony met with members of those clubs. Want to join in? Tony is making a list, and I’m on it.

David Larsen is retiring from his dual position of Newsletter Editor and Webmaster after five years of notable service. As a new member two years ago, I was SO impressed with the quality. Now, David is willing to help his replacement step right in. Will it be you, or a couple of you?

The Cheyenne Friendship Force is looking for a volunteer to put together the newsletter and keep the website up-to-date, or two people to split up the jobs.

I've done it for several years and it's now time to pass the job along.

Give me a call or email and I'll discuss the details of the positions.

My contact info is in the list directly above.

Dr. Andrew Young, our guest speaker; Marilyn, the winner of a T-shirt; and Dave at the July 9th presentation about the eclipse.

Barbara Guilford's Front yard—4th July.

Our president having an eclipse day!

“As we watched the moon steadily take a larger bite out of the sun, about 15 minutes before totality we noticed a significant loss of daylight. At totality, the grasshoppers stayed on the ground as if it were night, and I dropped to one knee to keep my balance. Two and a half minutes never to be forgotten!

“Bailey’s Beads”, the solar corona, a solar flare, and then the spectacular “Diamond Ring” signaled the end of totality.”

Lots of good friends and food at the joint picnic in Loveland. The Friendship Force of Northern Colorado hosted our group.

## ***Open World Journey***

As of the end of August I am waiting for final details from Atlanta as to how many are coming on the exchange and their arrival time. This much I know: There will be 5-6 delegates that we need to host. The facilitators will stay in a hotel. They will be arriving October 21 Saturday and departing October 25 Wednesday. I am currently working on meetings for them on Monday and Tuesday. As soon as I know their travel arrangements I will plan Saturday and Wednesday. Sunday will probably be touring and shopping day.

If you are willing to help with the exchange and/or can host please contact me. My contact info is on page three. The Ukrainians (previous *Open World* journey) were a great group to work with and I am sure this group will be too.
