Terry's Tidbits

2013

Friendship Force Members:

Another busy and fulfilling year has passed. I am sorry to say that we have lost some members for different reasons. As nearly as I can tell, we lost six and gained four. Hopefully we can do better this year.

I was impressed with the turnout for our Christmas Dinner Party at the Plains Hotel. Thirty-five of our fifty members attended.

I am happy to announce several personnel changes: Donna Logan has volunteered to take over the Membership Program from Marilyn Pettit who has decided to travel a lot more, Helen Lovett will be taking over the duty of Secretary at our January 14th meeting and Barbara Guilford has taken over the job as Program Director. Barbara has already scheduled several programs (ed: look on page one).

As we all know, membership dues were due by December 1. Unfortunately, if your dues were not paid for 2013 by the January meeting, you are not allowed to make a motion or vote. As of January 1 there are thirteen delinquent members. I urge those members to renew their membership so that they will not be dropped from the rolls.

While we did not think we were going to have winter a few days before Christmas, we finally got snow for a White Christmas, and since then the thermometer has dropped considerably.

A very Happy New Year to you and I hope to see you at the January meeting!

A New way for ID Theft—

Watch the video links (below) and check your cards.

Check your newer credit cards for the Wi-Fi Symbol on it. Watch the videos below to understand the threat and your options.

I read about this a couple weeks ago, and then checked my cards for the little "Wi-Fi Icon." I didn't find any, but I have a renewal coming next month. I'll watch for it when that card new card arrives.

Thought you might want to check and watch for this also.

Wrapping aluminum foil around the card may also shield the chip and deter ID theft.
